To Whom It May Concern:

I recently had the opportunity to work with Rodney Rambo at Matrix Business Capital on a lease transaction. Rodney did a great job in providing us with excellent service. He came in early and stayed late to answer all of my questions or concerns. I knew I could count on him to provide good information. He really worked hard on the transaction and I truly appreciate all of his hard work. We have future equipment needs and I won't hesitate to call Rodney because I know he will get the job done for us. I look forward to working with Rodney and Matrix Business Capital for many years to come. Should you have further questions or concerns please do not hesitate to contact me business@visitmrc.org or 919.554.4740.

Sincerely,
